## Conditions for obtaining and using funds

1. Shorter than monthly stays (= 30 days including departure and return days) will not provide sufficient benefit for students to be funded from the PPSŘ. The funds are not intended to finance the participation of students or academics at conferences. They also cannot be used to finance Erasmus Studies or Traineeships.

2. Mobility support can be provided from PPSŘ resources to:

- a) Full-time / part-time student
- b) Academic worker,

c) THP worker.

3. Financial support from PPSŘ sources can be provided on the basis of complete and submitted applications to the Department of International Relations of the Faculty of Medicine in Pilsen.

4. Students are obliged to register their internship in the Student information system according to [Dean's Direction no. 3/2019](#).

5. The submitted applications are prioritized. The Dean's Collegium decides on the division of funds from PPSŘ sources based on the Guarantor's recommendation.

6. Support will be provided for: travel, accommodation and catering costs, health insurance costs, costs directly related to stay / internship.

7. The person who has been provided with funds is responsible for their proper drawing and economical use and is obliged to fill in the final report on its progress and results within one month of the end of the respective event here: <https://forms.office.com/r/gtkmjkmjm2>
